

## **IOH, Our “raison d’être” . . .**

---

**“To promote and maintain physical  
and mental health and the social well-being  
through a multidisciplinary occupational health support to our  
clients and their employees’ services”**

# IOH, Our Principles . . .

---

- To ensure integrity at all levels of the business.
- To maintain an ethical approach in all our activities.
- To be professional in everything we do
- To ensure the quality of our service delivery and its administrative support
- To merit the respect and appreciation of our patients
- To be valued and respected by our clients.
- To be flexible and innovative in meeting the needs of IOH and our clients.
- To attract and retain clients who share our principles and values.
- To be an employer of choice for our staff.

**We will only be as good as the people who work for us**

# IOH, Our values . . .

---

**“In today’s rigorous, competitive situation  
it will be the caring organisation  
that will survive.”**

**Working together for organisational health.**

***Organisational health – The effective balance between the interests of the organisation and the aspirations, skills and requirements of the individual within that organisation.***
